

Tenants

What's this page used for: a dedicated area for tenants to find out more about you, your brand, your properties and services.

What to include: what do you offer tenants, for example; typical services offered, whether you have family friendly properties, whether you allow pets, details of your approved tenancy deposit scheme, extra tenancy services you offer (e.g 24hr helpline), what you expect from a tenant, details of any tenant offers you are currently running, the process involved in renting a property through you.

The image shows a screenshot of a web editor interface for a tenants page. The interface is divided into several sections, each with a dashed border and a small label above it. The first section is titled 'Tab title' and contains the text 'Making houses homes since 1983'. The second section is titled 'Section' and contains the heading 'Why rent with us?' followed by a bulleted list of three points. The third section is titled 'Section' and contains the heading 'Hassle-free property management' followed by a paragraph of text and a 'Click to add image' button. At the bottom of the third section are 'Cancel' and 'Done' buttons. Below the third section is a dashed box containing the text 'Click to add new section'. Five callout boxes with arrows point to specific elements: 'Click to edit title (max 90 characters)' points to the tab title; 'Click to edit text (unlimited text)' points to the text in the second section; 'OPTIONAL: Click to add or edit images. Choose images which relate to this page such as a "Recommend a landlord" promotion image, removal images etc.' points to the 'Click to add image' button; 'Click to complete section.' points to the 'Done' button; and 'Click to add new section' points to the dashed box at the bottom.
