Mortgages

Independence. Professionalism. Integrity. With over a decade's experience and our insistence on recruiting only the highest-quality staff, Leigh & White Mortgage Find provide a service you can believe in. Our friendly team are dedicated to providing a personal, holistic service that treats clients as individuals and places a high value on honesty.

Why us? Well, we can think of five big things that separate us from the crowd: ← Click to edit text (unlimited text)

- Impartiality - we are completely independent of any lending company, and don't restrict ourselves to a panel of 'partner' lenders. We work for you - not the mortgage providers.
- Personal service - we don't think it's good enough that most advice services send callers straight to an impersonal call center. We're fiercely proud of our personal touch.
- Simplicity - Leigh & Winters Mortgage Find will take care of the hassle, the documents and the paperwork. Moving is hard enough as is, and we think homeowners deserve better.
- Range - we have access to around two hundred lenders and innumerable mortgage products. This equips us to find the perfect mortgage for every borrower's circumstances.
- Responsiveness - we're proactive in updating you on your mortgage progress, and will respond to all requests for mortgage details within a twenty-four hour period.

Other services: Leigh and White Surveyors

Started in 1998, Leigh & Winters Surveyors are members of the Royal Institute of Chartered Surveyors (RICS). Part of the London-based Leigh & Winters Group Ltd., we undertake professional valuations and full building surveys on a wide variety of residential properties, from Georgian town houses to ultra-modern studio apartments.

Homeowners looking for a survey service can expect:

- Detailed inspections and reports, with accompanying photographs and costings, to confirm the condition of a property
- Defect diagnosis - inspection of a specific defect and production of a detailed report identifying cause, repair requirement and remedial costs
- Schedule of condition - identify the condition of a property, and provide both a written and photographic record of the asset condition. Typically used for buy-to-let properties before leasehold or to resolve party wall issues.
- Domestic Energy Performance Certificates (EPCs) - Levels 3 and 4
- Insurance reinstatement valuations

With our combination of energy, professionalism and absolute attention to detail, we're proud of our service and hope you'll contact us for a no-obligation conversation.
