

Meet Our Team

What's this page used for: to showcase your team, their experience and expertise.

What to include: key skills in your team, qualifications, years of experience, areas of expertise, whether they themselves are landlords, professional affiliations and memberships.

The screenshot shows a web editor interface for a 'Meet Our Team' page. At the top, a teal callout box states: 'Editable, introductory section. Simply click to add and change text.' This points to a 'Section' area containing the text: 'We're proud of the high-calibre staff who represent us. Many of our lettings agents are landlords themselves, meaning they have first-hand knowledge of what matters to you and your tenants. We aspire to be responsive, helpful, and most of all - trustworthy.'

Below the section is a 'Staff' list. The first entry is for Paul Carter, Lettings Consultant, with a photo and a bio: 'Paul is an Alberton-based landlord with an extensive portfolio of studio flats and small apartments, and a strong knowledge of the local market in high-end flats more...'. A teal callout box points to the 'Email' link, stating: 'The email will automatically go to your branch email address.'

The second staff entry is a form for adding a new member. A teal callout box points to the 'Click to add photo' button, stating: 'OPTIONAL: Click to add or edit photos of your staff.' The form includes a 'Click to add name and job title' field and a bio: 'Martha has over eight years' experience as a lettings valuer in the Central London area. She is an ARLA member, and staunch champion of customer service'. At the bottom of the form are 'Cancel' and 'Done' buttons. A teal callout box points to the 'Done' button, stating: 'Click to complete section.'

At the bottom of the page editor is a 'Click to add new section' button and a 'Contact All' button.

At the bottom left of the page, a large grey number '09' is visible.
