

Selling

What's this page used for: a dedicated area for sellers to find out more about you, your brand and agency.

What to include: what services do you offer sellers, for example; what properties do you specialise in, what sets you apart from the rest, what is your marketing reach, what expertise do you have, what offers or deals do you have, why do sellers choose you now, why should sellers choose you in the future, talk about the size of your business, state how many properties you currently market, style of property etc...
